To whom it may concern,

It's my absolute pleasure to recommend Wendy Dickinson to teach Relationship Building Training with your company.

Wendy and I met in Out-of-School Time Summer In-service training last summer, where over 200 part-time and full-time staff were receiving trainings. I was one of many staff who were selected to receive her training.

I thoroughly enjoyed the Relationship Building class Wendy taught, and came to know her as a truly valuable asset to absolutely any team. She is incredibly hard-working, her teaching style kept the class engaged at all times. Beyond that, her voice and words were very audible. She brought out the true meaning in relationship building and kept us engaged and eager to learn more.

Her knowledge of Relationship Building and expertise in the subject was a huge advantage to our entire organization. She put this skillset to work in order to ensure all our staff were aware of how to build relationships with all the children we work with daily.

Without a doubt, I confidently recommend Wendy to continue to teach this training class to as many organizations as possible to continue to spread the word about building relations. I am confident that any training she offers will be delivered with just as much knowledge, excitement and passion.

Please feel free to contact me at (757) 264-2536 should you like to discuss Wendy's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
